

Special Education for adults

Special Education for adults

The Education Act, *opplæringsloven*, regulates Special Education. Please note that this is a simplified description of the rules.

Adults are entitled to attend Special Education at Primary and Lower Secondary school level (*grunnskole*) if they cannot benefit from ordinary *grunnskole* for adults, or have a particular need for training to develop or maintain basic skills.

Special Education is part time, free of charge, and can take place during daytime or evening.

Who can apply?

Adults with:

- Hearing problems
- Visual problems
- Acquired damage
- Learning difficulties
- Congenital injury or disease
- Aphasia
- Developmental disabilities
- Functional disability
- Mental health problems
- Inadequate benefit from prior *grunnskole*

Application

Application form: at <https://felles.oslovo.no>, or at Oslo VO Service Centre, Oslo VO Nydalen or Oslo VO Skullerud.

Application deadline:

- For new applicants: 1 March. Please send the application to Oslo VO Service Centre.
- For current students: 15 February. Current students send their application to the center where they are students.

You can also apply after these deadlines.

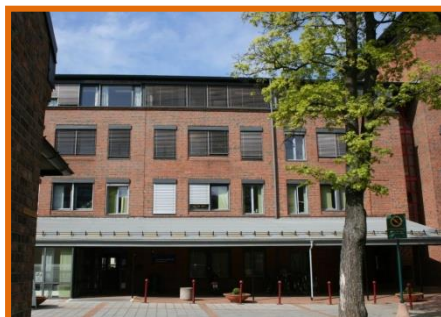

Remember to include documentation from the applicant's doctor or treatment centre. Please see the application form.

The Educational and psychological counseling service (PPT) will decide whether the applicant is entitled to Special Education. If the applicant is entitled, an expert assessment will be made, and the applicant will be offered training according to his/her needs.

More information
